## ABOUT ME

I recently completed my Front-End Web Development training, where I learned to build modern, responsive websites using HTML, CSS, JavaScript, and React. I'm eager to apply my skills in a professional environment and grow as a web developer.

## EXPERIENCE

### Customer Service Representative

2024-2025

#### Maxfort Bpo

I worked as a Customer Service Representative at Maxfort BPO, where I handled customer calls and provided information about products and services. My job included helping customers solve their issues, maintaining records of interactions, and making sure they were satisfied with the support they received. During my time there, I improved my communication skills, learned to work well under pressure, and became better at teamwork and meeting daily targets.

### Customer Service Representative

2023-2024

#### Brave Bpo

I started my career as a Customer Service Representative at Brave BPO, where I gained my first experience in the call center field. My role included handling customer calls, answering their questions, and providing support to solve their issues. I learned how to communicate clearly with customers, manage time effectively, and work as part of a team. This experience helped me build confidence and develop strong customer service and problem-solving skills.
